#### COMAR REGULATION 08.03.10

##### .09 Special Permit – Disabled Persons.

- A. A person who possesses a valid hunting license and who has a disability, which impairs his mobility, may receive a permit from the Service to hunt from a vehicle. However, the person may not shoot or have a loaded weapon in the vehicle while the vehicle is on a public roadway or the shoulder of a public roadway.
- B. To be issued a Disabled Person to Hunt From Vehicle Permit a person shall:
  - (1) Submit a completed Service application to the appropriate regional wildlife manager; and
  - (2) Obtain a physician's signature on the application, which certifies that the applicant is mobility impaired.
- C. Each person shall:
  - (1) Have the permit on his person while hunting;
  - (2) Keep the vehicle at a complete stop with the motor turned off while shooting, aiming, or firing the weapon; and
  - (3) Have all weapons unloaded, including no ammunition in the magazine, while the vehicle is in motion.
- D. A permittee may have other permittees and a companion in the permittee's vehicle while hunting. A hunter may serve as a companion but may not hunt from the vehicle.
- E. In addition to any other sanction provided by law, the Service may suspend or revoke the permit if the permittee violates any provision of this regulation.
